brainvisa-development - Feature #18042

Feature # 18045 (Closed): bv_maker: add command publish_pack

bv_maker: add a property in configuration file to run actions for tagged directories

13/03/2018 10:25 AM - Souedet, Nicolas

Category:	brainvisa-cmake		**Estimated time:**	0:00 hour
Target version:	brainvisa-4.7		**Spent time:**	0:00 hour

Description

The idea (discussed with Denis) is to add a property (maybe named 'categories' or 'tags') that allow to apply bv_maker actions to group of directories.
As an example, to generate i2bm packages, it could allow to do:
bv_maker --tags i2bm pack
